

WeatherStation® Mount for Stationary and Moving Platforms

VM-10

This versatile mount enables many mounting applications for WeatherStation Instruments. The collapsible design makes it handy to store in down position when vehicle is in a garage, barn or traveling at high speeds.

- Aluminum construction provides a strong but light weight mount for all installations
- Two-positions for storage – easily deployed by hand from down to up position
- 1-14 threads used on mount
- Extensions are available in 15" (38.1 cm) and 30" (76.2 cm)
- Mounting kits available for rooftop, pole mount, side mount
